

Our Charter

We act for a world where dignity for all is ensured, through education, enabler of human development. Our engagement and actions are based on the values of liberty, respect, solidarity, equity and integrity.

FREE FROM ALL POLITICAL AND RELIGIOUS AFFILIATIONS, AIDE ET ACTION COMMITS TO:

- **ACT** for ensuring respect for the right to quality education for all, especially children who are the future of humanity.
- **CREATE AWARENESS**, mobilize and influence to ensure that education becomes a global commitment.
- **SUPPORT** communities, who are the true owners of their educational project.
- **PROMOTE** an education that's open to the world, its diversity and its cultures
- **DEVELOP** solidarity and exchange among cultures through sponsorship.
- **GUARANTEE** transparency in our actions and in the utilization of our resources.

Aide et Action's charter, shared and respected by all its members is the foundation of the organization. It ensures its unity and coherence. Further, Aide et Action's values and principles are accepted by its partners unanimously.
